- Risk Assessment register
- Lone working
- Manual Handling of People
- Manual Handling of Objects
- Manual Handling equipment including equipment provided for students with SEND
- Laboratory and Department Apparatus/ Equipment/Substances
- Portable electrical appliances
- Display Screen Equipment
- Personal Protective Equipment
- Respiratory Equipment
- Welfare Bullying/Harassment/Staff welfare
- Vehicles

Health and Safety Statement For Minster Trust for Education

Statement of Intent:

The Board of Trustees of MITRE will meet its responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees, and to ensure that their work does not adversely affect the health and safety of other people such as students, visitors and contractors.

The board via Local Governing Bodies and Senior Leadership Teams will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted trained and competent before allocating particular health and safety functions to them.

Where necessary the board will seek specialist advice to determine the risks to health and safety in the establishments and the precautions required to deal with them. This will be through contracted services from Nottinghamshire Local Authority.

The board via Local Governing Bodies and Senior Leadership Teams will provide sufficient information and training in health and safety matters to all employees in respect of the risk to their health and safety.

The board via the Local Governing Bodies and Senior Leadership Teams requires the support of all staff to enable the maintenance of high standards of health and safety in all the groups' sites and activities.

Responsibilities of the Local Governing Bodies

- Ensuring that the school request Health and Safety advice from the Trust as required
- Complying with the LA's Health and Safety Policy, advice and arrangements (while we buy back H&S services from the LA)
- Formulating and ratifying the school's Health and Safety Statement and Health and Safety Plan, reviewed and documented annually
- Regular monitoring and review through a Health and Safety QA calendar and Health and Safety Committee meetings
- Reviewing Health and Safety arrangements regularly (at least once a year) and implementing new arrangements where necessary
- Ensuring that the site and premises are maintained in a safe condition and that appropriate funding is allocated
- Ensuring that risk assessments are made and recorded of all the school's work activities including those off site which could constitute a significant risk to the Health and Safety of employees or other persons
 - Ensuring that the statement and other relevant Health and Safety documentation from the LA is drawn to the attention of all employees
 - Prioritising action on Health and Safety matters where resources are required from the establishment's budget, seeking further advice where necessary and ensuring that action is taken
 - Seeking specialist advice on Health and Safety which the establishment may not feel competent to deal with
- Promoting high standards of health and safety within the establishment
- Active and reactive monitoring of Health and Safety matters within the schools including Health and Safety inspection reports and accident reports

Responsibilities of the Head Teacher/Head of School

- Providing a robust Health and Safety management system which addresses the following key areas of responsibility: -
 - o Local Policies and Risk Assessments
 - o Planning
 - o Measuring and Performance
 - o Audit and Review of Performance
- The day to day management of Health and Safety matters in the establishment in accordance with the policy and ensuring the Health and Safety arrangements are carried out in practice
- Ensuring that Risk Assessments are made and recorded of all the School's work activities including those off site which could constitute a significant risk to the Health and Safety of employees or other

persons and also specific student and staff risk assessments for individuals working in and being educated in the School

- Ensuring that termly Health and Safety inspections are carried out and copies of the report are retained
- Completing and returning the Trust's annual Health and Safety questionnaire
- Ensuring that remedial action is taken following Health and Safety inspections
- Ensuring that information received on Health and Safety matters is passed to the appropriate people
- Identifying staff Health and Safety training needs and arranging for them to be provided;
- Attending the establishment's Health and Safety representative
- Drawing up the establishment's annual Health and Safety action plan
- Co-operating with and providing necessary facilities for trades union safety representative
- Participating in the Trust's Health and Safety auditing arrangements and ensuring audit action plans are implemented
- Monitoring purchasing and maintenance of equipment and materials and ensuring that it complies with current Health and Safety standards
- Monitoring contractors and ensuring that only approved competent contractors are engaged to work on the School site
- Seeking specialist advice on Health and Safety matters where appropriate
- Ensuring that a procedure is in place to deal safely with persons on the premises who may be under the influence of alcohol or drugs
- Whilst using the professional H&S Services of the Local Authority, the school must ensure that all accident reporting is entered onto the Nottinghamshire County Council Well-worker system

Note: All items remain the responsibility of the Head Teacher or Head of School, but should be delegated with the appropriate authority to ensure they are fully undertaken. The people delegated must be suitably trained and competent to undertake these duties. Records of delegated roles and authority should be maintained at all times.

Responsibilities of all staff

- Take reasonable care for the Health and Safety of themselves and others when undertaking their work/duties
- Ensure they undertake the relevant Health and Safety training as required by the School
- Check classrooms/work areas are safe
- Check equipment is safe before use
- Co-operate on all matters relating to Health and Safety by complying with the Health and Safety policies/procedures
- Not intentionally or recklessly interfere with or misuse any equipment or fittings provided in the interests of Health, Safety and welfare
- Report immediately to their Head Teacher/line manager any serious or immediate danger
- Report to their Head Teacher/line manager any shortcomings in the arrangements for Health and Safety
- Ensure that they only use equipment or machinery which they are competent to use or have been trained to use
- Participate in Health and Safety inspections and committee where appropriate
- Ensure that all accidents and serious near miss accidents are reported in the School's accident report book and that the reports contain all relevant data as required by the report
