Wednesday, 12 February 2025

Dear Parents and Carers,

Thank you to those Y2 parents and carers who came to the meeting about the residential visits last night. With this newsletter is a copy of the information given out at the meeting, if you have any further questions please do not hesitate to get in touch.

FSA Half Term Activity

The FSA are raising money for additional i-pads this year, and have agreed to support with the transport costs for our summer term visits. We are incredibly grateful for their support. They have planned a lovely activity for the half term holiday: as it is Valentine's Day on Friday, they would like the children to decorate a heart. The children will bring home a sheet today or tomorrow, and they can draw, write, paint or stick things on to the heart. They should then return the sheet to the School Office by Friday, 28 February with a £1 entry fee. There will be a small prize for everyone who enters the competition, and School Council will choose an overall winner in each year group.

The FSA will also be holding a Pre-loved Book Sale after the half term holiday, to run alongside the Book Fair and our World Book Day celebrations. More details will be sent out at a later date, but if you are having a "clear out" during the holiday, donations of good quality children's books would be much appreciated.

Choir – "Open Session"

Tomorrow (Thursday, 13 February) the children in the School Choir would like to invite their parents and carers to come and listen to the songs we have been singing this half term. Please come to the hall at 4pm tomorrow if you would like to hear us sing.

Names please!

Please can I ask parents and carers to make sure that their child's uniform is clearly named – particularly sweatshirts and cardigans, we seem to have collected quite a few in lost property this half term!

SPAGHETTI

MATHS Spaghetti Maths Club

The next Spaghetti Maths Club starts on Tuesday, 25 February, and there are still 3 places left. If your child is interested in attending the Spaghetti Maths Club then please visit the website www.spaghettimaths.co.uk to book.

Holiday Dates

A reminder that school is closed to pupils on Friday, 14 February for an INSET Day. Please be aware that this is **NOT** an INSET Day at Lowe's Wong Junior School, and the Junior children should go to school as usual on Friday 14th. Both schools are closed for the half term holiday for the week beginning Monday, 17 February – we hope that you all have a super holiday.

Finally, with this newsletter is a flyer for a free maths course being run in Southwell Library for parents and carers of KS1 (Y1 & Y2) children at Lowe's Wong Infant School. If you are interested in going along to the course, then scan the QR code on the flyer.

Thank you for your continued support,

AE Speed
