

Music development plan summary: Lowes Wong Infant School

Overview

Detail	Information
Academic year that this summary covers	2025-2026
Date this summary was published	September 2025
Date this summary will be reviewed	September 2026
Name of the school music lead	Mrs Sally-Marie Roche
Name of school leadership team member with responsibility for music (if different)	
Name of local music hub	Nottinghamshire Music Hub
Name of other music education organisation(s) (if partnership in place)	

Curriculum music

At Lowe's Wong Infant School, music is taught through the Charanga scheme following the 'original scheme' on a one-year cycle. The Charanga scheme has been chosen due to its progressive structure and because it is informed by the model music curriculum.

Music is taught weekly in all classes; this may be split over a number of sessions. In addition to this the children have a weekly singing assembly and music assembly.

The lessons are designed to be progressive and build on prior learning allowing the children time to revisit, review, and refine their music vocabulary, knowledge, and skills. Lesson plans are adapted from the scheme to ensure they are inclusive, enabling all learners the opportunity to fully partake in music lessons, feel valued, and achieve their best.

At Lowe's Wong Infant School all children will learn to sing songs and play untuned and tuned instruments through our weekly music lessons. Instruments include claves, shakers, drums, tambourines, and glockenspiels. There is planned progression with foundation stage children playing untuned instruments and year 1 and 2 children learning to play the glockenspiel.

Additional information regarding the music intent at Lowe's Wong Infant School can be found on the school's website in the curriculum section.

Extra-curricular music

- All children have the opportunity to perform in annual events such as a nativity performance, Easter service and at special events such as the Year 2 leavers' service, and when visiting local community areas (care homes, Christmas Late Night Shopping Event).
- Children in Years 1 and 2 have the opportunity to be members of the school choir. When allocating places priority is given to pupil premium children. Choir club alternates days on a termly rota to allow the possibility for more children to attend.
- Children in Year 2 have the opportunity to join the school recorder club. When allocating places priority is given to pupil premium children. Recorders are provided by school although children may bring their own.
- The school benefits from a range of rehearsal spaces including the school hall for larger ensembles such as choir, classroom space for recorder club, and additional learning spaces for children who may prefer to learn instruments in a quieter, less stimulating environment.

Musical experiences, events and performances.

- Year 2 African drumming workshop, djembe drums.
- Choir performance at care home and Christmas Late Night Shopping Event.
- Celebration performances (nativity, Easter service).

In the future. . .

To further enrich the music offer to all children at Lowe's Wong Infant School the school intends to:

Provide the opportunity for all children to perform a rehearsed songs from the Charanga scheme of learning to an audience in termly assembly performances. This will include singing and playing an instrument as part of a whole class ensemble.

Have a half termly genre of music focus which the children will learn about and listen to during assembly time and during periods in the classroom.

Enhance the experience of listening to live and recorded performances by organising music focused visits into school and externally. For example, djembe drumming workshop, pantomime (live or recorded visit), musical performances at a local theatre.
