F2 – What type of journey shall we go on?

Key Vocabulary	
Journey	The story of how we travel, how we get there, and what we see along the way!
Transport	How we travel from one place to another.
Names of different forms of transport	Truck, train, hot air balloon, car, lorry, boat
Vehicle	Any object that is used to move people, animals, or things from one place to another.
same	Things that are identical.
different	Things that are not the same.
old	Something that has existed for a long time, or doesn't exist anymore.

Being Imaginative and Creative

Know how to develop storylines in their pretend play.
Know how to create collaboratively, sharing ideas, resources and skills.
Know that it is possible to return to and build on their previous learning, refining ideas and developing their ability to represent them.
Through our carefully chosen texts the children will have opportunities to use small world resources to retell stories and create their own journeys. Where will they go? How will they get there? What will they see? We can use our imagination to describe our journey from start to finish, we can share ideas and adapt them as we go.

Understanding the World

Know that there are some similarities and differences between things in the past and now.
Know how to understand the past through settings, characters and events encountered in books read in class and storytelling.
Know that some objects are old and some are new.
Transport has changed a lot over time. We will look at images of old and new vehicles – What is the same? What is different? What would you see, hear, and smell when you travel on a train, or in a car from the past?

Creating with Materials

Know that modelling materials can be shaped.
Know that materials can be joined to create new textures, using tools and techniques.
Know how to safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form, and function.
Know that there are famous artists
Know that you can use and refine a variety of artistic effects to express ideas and feelings.
Know that they can like or dislike a piece of art.
We will be creating collage pictures of different forms of transport. We will be using a range of different materials and exploring how we can cut, stick and join them together.

We will be inspired by the work of Andy Warhol, creating our own 'Pop art' transport images.
